OUR MISSION ~ GLORIFYING GOD AS AGENTS OF HIS RECONCILIATION (II CORINTHIANS 5:19)

St. Barnabas COVID Protocol

March 2022

There continues to be concerns about the impact of COVID and other socially communicable diseases/viruses; and we seek to be mindful of and respectful to those who are uneasy with a complete cessation of COVID protocols. Consequently, as we transition to a post-pandemic way of gathering and fellowshiping we are implementing the following guidelines:

1. Please stay home if you are not feeling well.
2. Please continue to practice good personal hygiene—hand sanitize often.
3. Masking and Social Distancing remain in effect for our worship times.
 - Please mask when you are not seated.
 - Please mask when you go for communion.
 - Please be mindful of social distancing, including when and where you sit.
 - You are *encouraged* to mask for the whole service and/or when singing.
4. Communion will be offered in both kinds by priestly intinction.
5. We will have a coffee and fellowship time in the hall. Please be respectful and considerate of others as you visit with one another.
